

# Professional Book Writing, Editing & Publishing

Have you been dreaming of writing and publishing a book, but you just don't have the time to sit and write or edit?

# Welcome...

We are **Skillsway Books**, a leading professional book writing, editing and publishing firm based in Malawi. We help entrepreneurs, consultants, influential people, and executives who want to write and publish professional books in their voice and words but don't have the time to sit and write by themselves. Through our **interview-based book writing, editing and publishing services**, we have helped many people write and publish their books. This year, we would like to work with you and make your dream of becoming a published author a reality!

Answer the call to the book in you!

# Benefits of Publishing a Book

## Authority

A book establishes you as an authority in your field of work and makes you command recognition among your peers.

## Revenue

A book makes you money not only from sales but also through networking and business opportunities it attracts for you.

## Influence

A book will give you a platform for influence and qualify you to become a leader in your space.

## Legacy

A book helps you tell an authentic story or idea that will speak to readers now and when you are long gone.

# In 3 months or less...

You can become an internationally recognized published author when you use our professional writing, editing, publishing and marketing services at Skillsway Books. Get started today...

We believe in keeping it simple

## Surviving Anarchy: History, Challenges and Prospects of Regional Integration in Southern Africa

*The book deals comprehensively with the topic of regional integration in Southern Africa and its implications for economic and political governance. Various aspects of integration are discussed, including trade, foreign direct investment, infrastructure development, security, governance, and the history of regional integration. It stresses the challenges that the SADC faces and provides strategies to address these barriers to economic development and stability among the region's people. A detailed discussion of contemporary challenges confronting the regional integration agenda connects the contributions of history, theory, and practice to the current debates.*

**Author:** Wilson Khembo, Security and Foreign Policy Professional

## She Participates: Outlining the Contribution of Women in the Development Processes

*This book discusses existing gender inequalities in Malawi and the government's commitment in bridging the gender gaps. The discussion in the book is based on extensive literature review which has delineated key issues and emerging trends. It includes the role of non-governmental organisations in transformational processes to enhance gender equality. Essentially, the book advances the argument that women empowerment and participation in development processes is key in achieving gender equality and sustainable socio-economic transformation in Malawi.*

**Author:** Hon. Patricia Anne Kaliati, politician

## Die Empty: How to Find One Thing To Die For

Endorsed and foreworded by **PROF. PLO LUMUMBA:**

*"In an incisive and profoundly analytical style, [the author] handles a sensitive subject whose essence is the value of service to humanity."*

*This book was born from a passion and a calling that the author has to help people discover their God-given purpose and potential to live fully focused and accomplished lives that will make a difference and leave a mark on earth. In the book, the author audaciously takes readers on a journey to discover what they were born to accomplish on earth; and outlines how to discover personal identity, origin, purpose, vision, potential, destiny; and how to cultivate personal character as a foundation to personal success.*

**Author:** Misheck Chapasuka, entrepreneur and evangelist
